Let's Plan Your Event...

We will provide you with our catering kit including a questionnaire to help you define your requirements, optional seating plans and examples of fixed course menus—breakfast, lunch or dinner, buffets and appetizer plates.

Pricing varies depending on the number of guests, the style of event, the serving staff needed and your choice of food and beverages.

We will work with you to create the experience you desire.

We aim to make your event experience on the Olympic Peninsula simple and stress-free, so you will enjoy it too!

Your Food Matters

Our food values are the foundation for creating our seasonal menus.

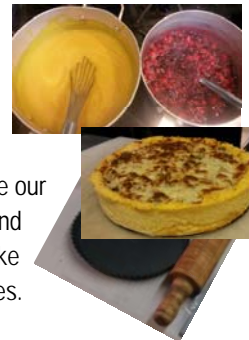

We serve mostly local, organic fare, 100% gluten free, avoiding GMO products.

We serve to satisfy all your guests from vegan to carnivore.

Made In House

All the food we prepare is made from scratch. We cook whole organic chickens to make our pot pies, we bake our breads and pastries, we roast bones to make stocks; we make our own pickles.

The Bell Room

Upstairs, the Bell Room offers a perfect setting for your private party or business meeting, with flexible seating plans.

- 50 banquet seating
- 40 classroom style
- 30 conference meeting
- 80 row seating (lecture)

We Cater At Your Venue Too!

Nourish is mobile! We work with many local venues to bring great food to the location of choice. *We offer rental of linens, dishes, glassware and silverware to events we cater.*

Garden To Table Cuisine

Each year our vegetable and herb gardens provide us more of the fresh ingredients we use to create delicious meals for you. What we don't grow, we purchase locally from our neighboring farms and artisan food makers. The wine, ciders and beers we serve are also from here in the Olympic Peninsula. **Nourish provides you with a truly local dining experience.**
